

## Schedule of Port Charges as at 1st December 2025

Rates stated herein are applied per the charging Unit and are subject to review on or around 1 July each year

"The schedule of Port Charges (below) apply to Standard Services offered by Darwin Port (as defined in the Access Policy), fees for Non-Standard Services will be applied in accordance with the applicable Access Agreement. If a port user's access request involves new capital investment then the price information below may require adjustments to reflect the additional capital costs and the parties will need to discuss such access request in good faith. It is likely that such a request will constitute a request for a Non-Standard Service and the Port User should have regard to the relevant terms of the Access Policy."
