

**Schedule of Port Charges as at 1st July 2020**

Rates stated herein are applied per the charging Unit and are subject to review on or around 1 July each year

"The schedule of Port Charges (below) apply to Standard Services offered by Darwin Port (as defined in the Access Policy), fees for Non-Standard Services will be applied in accordance with the applicable Access Agreement. If a port user's access request involves new capital investment then the price information below may require adjustments to reflect the additional capital costs and the parties will need to discuss such access request in good faith. It is likely that such a request will constitute a request for a Non-Standard Service and the Port User should have regard to the relevant terms of the Access Policy."

<b>WHARFAGE</b>				
CARGO TYPE		Unit	Ex GST \$AUD	Inc GST \$AUD
Wharfage fees are charged per unit of quantity, volume or weight of cargo for all cargoes loaded on or discharged from vessels or between vessels in the Port of Darwin. Wharfage fees pay for landside facilities and services such as maintenance of infrastructure, access to shorebase power and water, storage facilities for cargo clearance, port wide security and coordination of whole of port emergency management.
