1. TITLE

Smoking on East Arm Wharf.

2. REFERENCE LEGISLATION

- *Ports Management Act 2015 (NT)*
- *Work Health and Safety (National Uniform Legislation) Act 2011 (NT)*
- *Tobacco Control Act 2002*
- Northern Territory Department of Health
- AS 3846 - The handling and transport of dangerous cargoes in port areas
- ISGOTT

3. DEFINITION

Smoking means releasing smoke or fumes from an ignited tobacco product, holding an ignited tobacco product and simulating the experience of smoking by having a smoke like cartridge with a heater that vaporises liquid. This includes cigarettes, pipes, cigars and e-cigarettes.

4. PREFACE

This Darwin Port (DP) Smoking at East Arm Wharf Port Notice is issued pursuant to Section 57 of the *Ports Management Act*.

5. DIRECTION

No Smoking areas are identified by a red line painted, with *no smoking* symbols, along the ground. These areas include:

- The length of the wharf deck or in any plant and equipment operating on the wharf deck;
- Inside any buildings, DP vehicles, DP plant and equipment; and
- The Bulk Liquids Berth (BLB) and beyond.

There are **designated** smoking areas that have been approved within the *No Smoking* areas of the Marine Supply Base and the Australian Border Force berth. These are identified with signage and smoking can only be undertaken in those areas.

6. REVIEW STATEMENT

This direction will be reviewed biennially by the Port Management Officer.
